

Trust

If you enjoy team collaboration, problem solving, have a keen eye for detail, and are seeking a great business foundation to build your career – our Trust group may be the perfect place for you!

WAIT, WHAT IS TRUST?

Our Trust Team is a combination of our Audit and Risk Assurance services. Both service lines help expand your knowledge of core business, accounting, and finance concepts. We have 550+ Trust professionals in the United States.

Some of the key industries we're involved in are:

Technology

Life Sciences

Cannabis

Nonprofit

Food & Beverage

Digital Assets

And more!

WHAT'S THE DIFFERENCE BETWEEN AUDIT & RISK ASSURANCE?

Audit

- In Audit, you're performing audit procedures to ensure our clients' financial statements can be relied upon by investors, and other stakeholders.
- This is a great fit if you enjoy understanding the bigger picture of a Company's financial position by evaluating the "why" and "how" and thinking critically to apply accounting guidance to a company's unique circumstances.
- We're looking for students focused on Accounting or Finance. *It is also encouraged to be thinking about the CPA exam and having enough eligible credits upon your graduation date.*
- You'll learn about public and private Company reporting requirements, how to prepare and review financial statements, and establish a core understanding of business processes and controls.

Risk Assurance Services

- In Risk Assurance, you're looking to mitigate risks for our clients.
- Do you have a futuristic outlook toward problem solving? Risk Assurance is a great fit if you thrive on seeing how data tells a story of consequences or likelihoods.
- We're looking for students focused on Accounting, Finance, MIS, or Information Systems.
- You'll learn about SOX compliance and internal audits, SOC 1, SOC 2, HITRUST, or PCI Compliance. Data Privacy and Cybersecurity are also prevalent areas for our Risk team.

A large, semi-circular graphic with a green tint. Inside, a person's hands are visible, holding a pen and writing on a document. A laptop screen in the background displays a "CONTACT US" form. The word "Trust" is written in a large, white, serif font across the center of the graphic.

Trust
